

## How to get SNG Temporary radio licence?

The President of Office of Electronic Communications, by means of a decision, upon a request of an interested entity, may authorize temporary use of radio equipment in order to ensure occasional transfer of information for the period not longer than 30 days.

This type licence for temporary use is usually granted for radio stations that support short duration events (congress, shows, exhibitions, sport activities, etc).

The whole procedure in six steps is as follow:

1. **Fill the Temporary radio use SNG satellite earth station - application form**  
(*SNG\_app\_temp\_ENG.pdf*)

The application for temporary Licencing of a radio station should be submitted to Office of Electronic Communications at least 20 days prior to the date on which it is proposed the licence should come into force.

Application form for SNG signed by person authorized to represent the Company plus extract from appropriate Register (copy) to confirm representation of the facts.

2. **Find and prepare Declaration of conformity or Certificate**

Other document confirming compliance with electrical and EMC standards will be accepted.

3. **Make a payment for licence**

Payment information is presented below.

4. **Make a payment for frequency**

Below You will find information about frequency fee.

5. **Send by post all documents**

Filled Application form for SNG, Declaration of conformity or Certificate, payment for decision and payment for frequency.

If time to consider application is very short please send an application and attachments and also payment confirmation as soon as possible by fax on the following number: +48 22 5349 175 or send

The radio-licence will be sent to you by email, and the original document will be sent by post.

---

Centrum Obsługi Podatnika:

21 1030 1508 0000 0005 5000 0070

Swift code: CITIPLPX

IBAN = PL21 1030 1508 0000 0005 5000 0070

Note: The cost of the transfer will be borne by the applicant.

(\*) - equivalent of PLN according to NBP exchange rate (<http://www.nbp.gov.pl/>)

## II. Frequency fee

An entity that has received the right to use a frequency subject to a general exclusive frequency licence shall pay annual fees for the right to use this frequency.

For the assignment of frequencies the fees are levied as set out in the current version of the frequency fee ordinance – Ordinance of the council of ministers of 22 December 2017 on the annual fees for the right to use the frequency and also The Act of 16 July 2004 Telecommunications Law.

Please use the SNG Frequency fee calculator (*sng\_frequency\_fee\_calculator.rar*) to determine the fees you may have to pay for using the frequency.

Note: The cost of the transfer will be borne by the applicant.
