

Agreement

between the administrations of the Czech Republic and Poland on the RRC-06
implementation

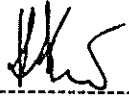

Administration of the Czech Republic and Administration of Poland agreed on the following:

Unless there is other provision, for unlinked assignments which are located not further than 25 km from the co-channel allotment they belong to, only protection of the allotment can be claimed. The coverage of the assignment outside the allotment area will not be protected.

Geneva, 29.5.2006

Jiří Duchač
on behalf of the
Administration of the Czech Republic

Krystyna Roslan-Kuhn
on behalf of the
Administration of Poland
