

Agreement

between Slovak Republic and Poland on the RRC-06 implementation

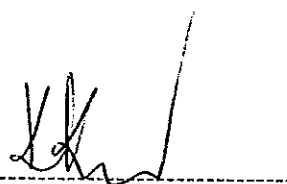

Administration of the Slovak Republic and Administration of Poland agreed on the following:

Unless there is other provision, for unlinked assignments which are located inside or not further than 25 km from the co-channel allotment they belong to, only protection of the allotment can be claimed. The coverage of the assignment outside the allotment area will not be protected.

Geneva, 06.06.2006

Milan Mizera
on behalf of the
Administration of the Slovak Republic

Krystyna Roslan-Kuhn
on behalf of the
Administration of Poland
