

**Agreement between Republic of Lithuania and Republic of Poland
regarding the modification of parameters
of some Lithuanian allotments appearing in GE-06 Plan**

The Poland agree to the modification of the Reference Network into RN1 of the below listed Lithuanian allotments appearing in GE-06 Plan. These modifications shall be considered to be coordinated with the Poland in accordance with the Article 4 of the RRC-06 Agreement, under the condition that the interference levels defined in bilateral agreement of Lithuania and Poland, Geneva, 8 June 2006 are not exceeded.
